### Mission Statement

#### **Developing Passionate Followers of Jesus Christ**

We at Mitchell Community Church are dedicated to providing a Biblical ministry to the people of this community. Our goal is to provide love and support for each member of this body of believers and to share the love of Christ with all members of our community. We are convinced that the Bible is God's word to man. We believe that "Christ died for our sins according to the Scriptures, that He was buried, that He was raised again on the third day according to the Scriptures..." (1 Corinthians 15:3-5)

If you have any questions or needs, please feel free to contact one of our Pastors or Elders.

Valentine's day is right around the corner. It is a reminder of how the world looks at romance and love. But God's love is so much more than that. A good reminder of His love is found in 1 Corinthians 13:4-7 **Love is patient and kind; love does not envy or boast; it is not arrogant or rude. It does not insist on its own way; it is not irritable or resentful; it does not rejoice at wrongdoing, but rejoices with the truth. Love bears all things, believes all things, hopes all things, endures all things.** Divine love is impressive. God want to guide us into His love. How can we begin to implement His love into our lives?

## CHILDREN'S CHURCH

### FEBRUARY SCHEDULE

We continue to learn the "Books of the Bible" song. On January 21st we completed the Old Testament! We will begin the New Testament books in February. We are on track to learn all the books before Easter. The song is fun, yet challenging because it is fast paced. Join us in singing along at home. Music is a wonderful way for children to remember what they are learning.

This month we will study many of Jesus' miracles. Your child will bring home a response page and coloring page from each children's church lesson. It is a great way to connect with them and apply what they are learning throughout the week.

February 4th: Jesus and Zacchaeus  
Luke 19:1-10

February 11th: Jesus Calms the Storm
